

NATIONAL PRESIDENT'S VISIT

April 2 – 4, 2019

FYI: We want Sandi to have a wonderful visit with us, here in the great state of Missouri. Please be aware Sandi can't be around fresh flowers or eat pineapple, she is allergic. She wants to meet and visit with the members. It will be informal, and we will try to invite Veterans and their families, if possible. She wants to meet with VFW members also.

Gifts- Suggestions for gifts, remember smaller, easy to ship items are advisable. A pretty card or gift card would be nice. Something about the great state of Missouri to remember her visit here. Just ideas, you do not need to give gifts. We have been advised, she may come in earlier than we had planned. If so, we would like our members, who can, be at the hotel when she comes in. To be there to greet her at the door.

VFW Auxiliary 2866 has graciously provided lunch for us on April 3rd. **(At no charge)** Get your reservations in as soon as possible so they will have a count.
