

Bataan Memorial Death March 2020 Pledge Form

Once again I will be participating in the Bataan Memorial Death March in White Sands, New Mexico. This time, I will be walking to help raise funds for Comrade Chris Johnson in his effort to run for National Junior vice Commander. I know this takes a lot of time and money, so would like to do my part in helping his campaign.

The march is on 15 March, and I will be completing 14.2 miles (sorry, my body just doesn't want to do the 26.2 miles up and down that hill). You may either pledge per mile, or a lump sum for completing. All pledges will go to Chris Johnson's Campaign fund.

Thank you in advance.
