VFW Auxiliary Contest Deadlines

National and Department Leadership, Scholarships and Youth Activities
Ambassadors and Chairmen:

National Headquarters has received questions regarding deadlines for the Young American Creative Patriotic Art and Illustrating America contests due to Coronavirus (COVID-19) concerns.

As school closures and the impact of the virus vary from state to state, we empower each Department to determine if the deadlines for the 2019-2020 Young American Creative Patriotic Art and Illustrating America contests shall be changed in their Department and if so, to what date they will be changed.

If a Department chooses to change any of the deadlines, it is up to Department leadership to inform each Auxiliary and District within the Department of the revised deadlines.

- Student art entry deadline for submission to local Auxiliaries.
- Local VFW Auxiliary and District judging complete.
- Department judging complete.

Keep in mind May 5, 2020 remains the deadline for VFW Auxiliary Department winners to be received at VFW Auxiliary National Headquarters.

Thank you,

VFW Auxiliary National Headquarters

This was sent to the chairmen on Friday about the Creative Patriotic art and the Illustration Across America. Thanks for asking about it. I will see that it is sent to all the Auxiliaries.
