I hope everyone had a great Holiday season. Hard to believe Valentines Day is approaching very quickly. Let's not forget our Veterans this Valentines day. Especially those in our VA Nursing homes. These veterans have missed out on so much with this Covid 19 virus. Even if your Auxiliary can only send them a Valentines card. Please have your Auxiliary purchase these cards & send to Our Veterans in the VA nursing homes.

Have you made your donation to the Veterans Service Officers program yet? There still plenty of time to get this done.

Unmet Needs Program

With our now being in the winter season now. There are so many ways we can be helping within this program. Think outside the box. Possibilities are endless.

MENTAL HEALTH & WELLNESS

Mental health issues for the Veterans and the Military community are so complex, often unseen. They effect more than just the service members or veterans.

The VFW & VFW Auxiliary are in a great position to offer Support & Educational base camps in more than 6,000 communities nationwide.

Please do not forget the VFW "Sport Clips" Help a Hero Scholarship program.

The VFW is profoundly grateful to, **Sport Clips & Burger King Franchise**. For their support for our nation's Veterans and Military Families. Please remember to frequent these two franchises.

In closing, the year 2020 has been a very trying time for all Auxiliaries nationwide.

We all need to stay positive 2021 will allow us to be able to continue helping our Veterans.
